

# MESSAGE FROM THE PRESIDENT

Dear Members, Friends, and Supporters of Anioma Association USA, Inc.,

It is both an honor and a privilege to serve as the President of Anioma Association USA, Inc., an organization that embodies the resilience, unity, and cultural pride of the Anioma people in our nine Local Government Areas in Aniocha, Ndokwa, Ika, Oshimili, and Ukwani. I am deeply grateful for the trust and commitment each of you has shown, and I am inspired every day by the strength and dedication of our community.

Our association was founded with a clear mission: to preserve our rich heritage, to support and empower Anioma descendants across the United States and in Anioma Land in Delta State of Nigeria, and to create opportunities for future generations to connect with their roots. In a world that is constantly changing, our culture and values remain a source of strength and guidance. We are committed to ensuring that these values are passed down, honored, and celebrated by each new generation.

## **Strengthening Our Community**

At the heart of Anioma Association USA, Inc. is the belief that we are stronger together. This unity fuels our ability to support one another, to stand together during times of challenge, and to celebrate our successes. We are a 501C(3) non profit organization exclusively for the following programs, such as educational scholarships, community health initiatives, and economic empowerment workshops, we continue to make a meaningful impact on the lives of our members at home in Anioma through the aforementioned initiatives. I am proud to witness the positive effects of these efforts, and I thank each of you for your contributions to these achievements.

## **Preserving Our Heritage**

Our culture is the thread that binds us as a community. It is through our traditions, language, art, and stories that we keep the spirit of Anioma alive. As an association, we strive to provide opportunities for all members, especially our younger generations, to connect with and understand the beauty of our heritage. Whether through cultural events, conventions, or educational programs, we are committed to honoring the legacy of Anioma.

## **Looking to the Future**

As we look to the future, we are focused on growth, collaboration, and innovation. We are working to expand our reach, strengthen our local chapters, and form partnerships that will enable us to provide even greater resources for our members. Together, we will continue to foster a community that not only celebrates its heritage but also supports the professional, educational, and personal growth of all Anioma descendants.

I invite each of you to join us on this journey. Whether by attending events, volunteering, sharing ideas, or simply spreading the word, your involvement is invaluable. Together, we can ensure that Anioma Association USA, Inc. remains a strong, vibrant, and supportive network for all who call Anioma home.

Thank you for your ongoing commitment to our mission and our community. I look forward to working together to achieve even greater success in the years ahead.

With deepest gratitude and respect,

Dr. Kpamioseh Anthony Ogbechie
